About This Game

This game is a game that enjoys aerial battles by riding the high durability air fighter XF - 98.

Story

Advances in radar technology have made stealth fighter a normal fighter plane.

Wilsword country developed the latest fighter XF-98.

It is a fighter with high attack power and phenomenal durability.

Due to the MD armor equipped with this fighter aircraft, radar performance has declined greatly.

MD armor is an armor that weakens enemy missiles by irradiating missiles with high power laser and EMP.

When the prototype was completed and trying a test flight, the Maxell federation began invading the ally Ulcafy
